REASONS FOR ALLOWANCE

Claims 7-8 and 12-20 are allowed.

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on August 22, 2005 has been entered.

Reasons for allowance

2. The following is an examiner's statement of reasons for allowance: The particular solvent combination of the claims is not disclosed or fairly suggested in the prior art for use in the claimed chemiluminescent compositions. The Online Articles merely show "PEK" is conventional for "polyetherketone".

The references cited in the search report to PCT/US02/36688 lack a disclosure or fair suggestion of the solvent combination of the claims in the claimed chemiluminescent compositions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
